

2026 Super Street Tire Rule

1. Tire compound will be Hoosier 790 on both left and right side 26.5 x 8 or 27.0 x 8
2. You may purchase 6 tires at your opening event (if you do not purchase them on your opening date they are gone as there is no banking of tires)
3. After your first event has been completed, you will be allowed one tire per event. TIRES DO NOT HAVE TO BE RUN THE NIGHT IT WAS PURCHASED. If you do not purchase the tire allowed on any given night it is gone.
4. New Tire must have completed a min of 50 % of feature laps on the day purchased in order to be eligible for tire purchase at next event. If tire is not run the night it was purchased it is not eligible for flat replacement.
5. Practice Tires will be allowed, No practice tires will be sold on race day. Practice tires must be purchased on practice days or reach out to track GM to make arrangements.
6. When practice tires are purchased all barcodes and numbers will be ground off, these tires will never be allowed into race competition.
7. NO CHEMICAL TREATING OF TIRES OF ANY SORT WILL BE ALLOWED
8. **EXTRA DISTANCE EVENT'S TBA**
